

HON

Gamut[®]

Accommodate every space, and any need.

From the executive office to the reception area, the fully functional, yet wildly affordable family of Gamut seating has you covered. The generous proportions and customizable comfort controls deliver ergonomic support to a wide range of users. With a selection of hundreds of popular HON textiles to choose from, Gamut looks right at home in any type of setting. The softly curved loop arms and contoured back bring lasting comfort to these executive, task and guest chairs.

1. PNEUMATIC LIFT

Allows the user to easily move the seat up and down to reduce pressure on the legs and improve circulation.

2. 360-SWIVEL

Provides freedom of movement in any direction, and promotes adjustment and comfort throughout the day.

3. CENTER-TILT

Reclines the chair from a point at the center of the seat, allowing the user to comfortably recline.

4. BACK DEPTH

Easily move the backrest forward or back to adapt to users of various heights.

5. TILT TENSION

Adjusts the resistance when reclining to accommodate individual's weight and work styles.

6. TILT LOCK

Locks the chair in an upright position for constant back support when not reclining.

FIXED ARMS

Each Gamut chair comes standard with soft urethane arms to provide upper body support, while reducing stress on neck and shoulders.

CONTROL OPTIONS

With adjustments for customizable comfort such as adjustable height, adjustable seat depth, swivel/tilt, and more, it's easy to deliver support right where you need it.

TILT / TILT TENSION

Adjust the seat and back to a reclined position with using the tilt control. The tilt tension control adjusts the amount of resistance felt during recline.

TILT LOCK/ PNEUMATIC LIFT

Tilt lock keeps the chair in an upright position for constant support. Pneumatic lift raises and lowers the seat to the desired height.
