

5200 SERIES

PREMIUM ALL-STEEL WITH TABLET ARM

Comfort • Strength • Style for Class • Training • Testing Rooms

Our upgraded **5200 Series** tablet arm folding chair has been enhanced in style, strength and size. The tablet is now available in a classy Manitoba Maple colored laminate or a sleek Grey Nebula colored laminate on a plywood core with a premium clear lacquered edge finishing. You now have comfort, strength and style fused into one great chair. Our extended tablet provides extra writing space, featuring a new and improved curved design to allow for easier access. The tablet arm is now supported by our resilient Gorilla bracket, an ultra-strong triangular bracket which adds superior durability for the tablet arm, making this chair the best choice for a premium yet affordable tablet arm folding chair.
