94000 Series™

PART CLASSIC. PART TIMELESS. ALL BUSINESS.

Your office is a reflection of your personality and work style. The traditional styling and quality craftsmanship of the 94000 Series showcases your confidence, accomplishment, and attention to detail. Combining the warmth of rich, mirror-finish Mahogany worksurfaces, the performance of premium multi-layer laminate, and the lasting value of solid inner frame construction, this collection is as dignified as it is durable.

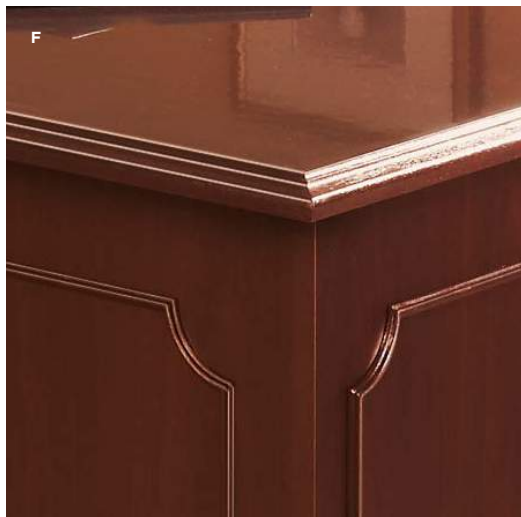

THOUGHTFUL DETAILS FOR VERSATILE SPACES

Getting the most out of your workspace is important, which is why the 94000 Series offers a variety of desk sizes and storage options to precisely fit any work style. Desks can be configured in U or L shape layouts to maximize space and keep files within reach. The comprehensive storage selection, including hutches, lateral files, bookcases, cabinets and wardrobes, further personalize the workspace. The collection even includes smaller round tables for one-on-one meetings or larger rectangular tables that bring several stakeholders together. With the 94000 Series, versatility and selection come standard.

NEVER SACRIFICE THE AMENITIES
The 94000 Series is accented by meticulous design features that enhance the stately aesthetic, increase productivity and expand storage capabilities.

A. DESK CENTER DRAWER
Neatly organize supplies and enjoy the smooth, quiet action of steel ball bearing drawer slides.

B. DRAWER AND DOOR HANDLES
Handles feature an antique brass finish to further complement the traditional and timeless aesthetic.

C. PULL-OUT WRITING SHELF
This conveniently located shelf extends when needed to support a laptop, tablet or work in progress.

D. STORAGE DOORS
Put valuables on display with a choice of wood laminate, glass or wire mesh stack-on storage doors.

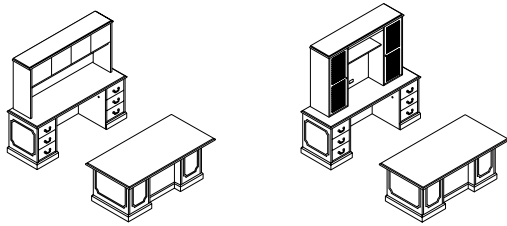

E. DECORATIVE ACCENTS
Meticulous attention to detail, including raised molding and plinth style base, add character and style worthy of an executive office.

F. EDGE DETAIL
The rich solid hardwood top trim exemplifies the luxurious characteristics of the 94000 Series.

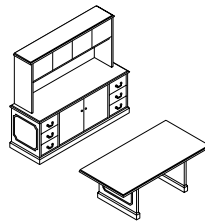

IDEA STARTERS

The 94000 Series offers a wide variety of layouts to support virtually any work style. The versatility and functionality of the desks, tables, storage and accessories make it easy to create high performance environments.

TIMELESS STYLE. ENDLESS VALUE.

With an unmatched combination of quality materials, robust engineering and precision manufacturing, the 94000 Series is in a class of its own. The scratch-, spill- and stain-resistant laminate is built to withstand rigorous daily use. The rugged inner-frame construction holds up to the stress of frequent moving and assures trouble-free ownership. Backed by the HON Full Lifetime Warranty, this collection is built to perform at the highest level for years to come.
