ACTIVE SEATING

# FORWARD THINKING SEATING

There's a brilliant new way to work that has everyone on the edge of their seat. The *basyx* by HON Perch is an active seating solution that keeps you energized and productive all day, whether in the seated or standing height position. The pivoting base tilts forward to bring you closer to your work, while maintaining a healthy posture. Tilt forward for greater focus. Lean back to relax. Swivel side-to-side for conversations. Bring a wider range of motion to a greater variety of spaces with the *basyx* by HON Perch.
