SMARTLINK®
Seating

THE CORRECT ANSWER

Movement is critical to learning. It stimulates thought, and allows for greater interaction with others. The SmartLink family of chairs uses responsive contoured geometry to support the way people move, allowing them to turn around, sit sideways, lean back, and stay comfortable and focused for longer periods of time. Available in a variety of styles, sizes and colors, SmartLink is a smart choice for any age and any type of learning environment.

The SmartLink family of products:

1. Modular Storage
2. Wall Rail System
3. Student Desk
4. Seating
5. Teacher Station

COMFORT MEETS LONG-LASTING

SmartLink seating is constructed of a one-piece easy-to-clean polypropylene shell and reinforced steel frame, which offers greater durability, support and long term maintenance. Backed by the HON Full Lifetime Warranty, this is one seating solution that is always a Smart choice.

MULTIPLY YOUR OPTIONS

Whether you're choosing school colors, stimulating colors for learning, or matching your current interior design, SmartLink can provide exactly what you need. Our seating solutions come in a full spectrum of colors, including vibrant shades that keep students energized and focused.

LEAD TIMES MAY VARY BY COLOR

AN ALL AROUND SOLUTION

The SmartLink seating family was designed to work well with others. It integrates nicely into any area of a learning environment, and merges perfectly with the entire SmartLink family of products, both aesthetically and functionally. A holistic solution from one source. Now that's Smart design.
