Endorse<sup>®</sup>

## EARNING YOUR APPROVAL.

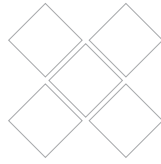

They say you can't please everyone. We beg to differ. When searching for a style that reflects your culture and comfort and adapts to each user, there's no stronger recommendation than Endorse. Whether as an executive chair in a private office, or task seating in a workstation or conference room, there's a version for everyone big, small, and in between. Finally, a wherever-work-gets-done seating platform you can comfortably sit in, and confidently stand behind.

OWNER TESTED.  
USER APPROVED.

Shown with Preside® table, 10500 Series™ L-shaped desks, Accelerate® workstations and Flock® minis. Inspired by HON color palette Autumn.

## NOT TOO BIG. AND NOT TOO SMALL.

Endorse was designed to feel just right with multiple back height and size options. Its three back sizes comfortably accommodate 95% of all users. The Big & Tall version supports users up to 450 lbs. No matter your shape or size, with Endorse seating you'll never be outside your comfort zone.

## YOUR ULTIMATE PLAYLIST.

Pick and choose your favorite combination of features to make Endorse your very own. With basic to advanced tilt controls, fixed to fully adjustable arms, an optional mesh headrest and integrated lumbar adjustment, you'll never have to settle for anything less than exactly what you want. Mix that up with the multiple aesthetic options for bases and seat backs and you'll be keeping Endorse on repeat.
