EVERYTHING YOU EXPECT. AND THEN SOME.

Turn any group space into a dynamic, flexible environment. Motivate tables are available with fixed, nesting, and height-adjustable base options, making them easy to set up, quick to rearrange and simple to store when not in use. Built-in modular power provides a pluggable non-sequential technology solution and can be snapped together without tools. Additional options include modesty panels, wire and technology management and ganging hardware. It's everything you could want in a table and plenty more than you ever expected.

POWER. MOBILITY. QUALITY.

You can have it all with Motivate. Presentation carts, desktop lecterns and mobile markerboards offer all the tools necessary for a high-impact presentation. A variety of edge options allow you to create a conventional or contemporary look. Gain layout flexibility in your space by customizing tables with fixed or nesting bases. Increase comfort with table legs that are positioned closer to the edge to provide maximum legroom. Choose height-adjustable or nesting options, and put technology at your fingertips with grommets or flip tops that route power and wiring.

SUPPORTING THE WAY PEOPLE WORK TOGETHER

People are collaborating in different ways every day. You need a flexible solution that brings people and space together in a way that fully utilizes both. Being lightweight and mobile, Motivate seating is ideal for collaborative settings that support multiple functions. Motivate can be stored in convenient, space-saving nests or stacks — ready to move when and where you need it. And don't forget about comfort. The contoured plastic shell and flex-back technology intuitively provide balance and lumbar support for ergonomic recline. Optional 4-way stretch mesh back and upholstered seat enhance comfort with added airflow and cushioning. With Motivate, collaboration comes naturally.
