vpsales@marsh-ind.com

www.marsh-ind.com

Our Pro-Lite Markerboard offers a lightweight alternative to most dry erase boards using either heavy engineered substrates or thick gauge steel backings. Pro-Lite boards utilize:

- PolyVision e³ Ceramicsteel magnetic porcelain enameled steel surface
- 1" Aluminum trim face
- 1/2" Fiberboard core with Mylar backer
- 1-3/4" Aluminum full length shelf tray
- 1" Map Rail (optional)
- L-Clip Installation

Size (HxW)	Item Number	Weight (lbs.)	
4' x 4'	PR404-1460	35	
4' x 5'	PR405-1460	42	
4' x 6'	PR406-1460	53	
4' x 8'	PR408-1460	70	
4' x 10'	PR410-1460	89	
4' x 12'	PR412-1460	105

Pro-Rite Projection Board

No glare...no hot spot... no eye strain.

- Our Projection boards utilize the new 3200 Series of trim with its thin, 3/16" trim face to maximize projection area and installs with Marsh's hidden fastener hanger bar system giving the board a sleek contemporary look.
- PolyVision 5650P projection surface offers an excellent light diffusion surface for outstanding projected image quality.
- A high-quality substrate maintains a smooth and flat surface.
- Dry erase markers easily wipe clean with marker cleaner.

Marsh's Pro-Rite Glass Markerboards prints custom logos and designs with an exclusive High Definition printing technology.

- Enables any space to be fully customized and branded, including nurses' stations, patient rooms and sports facilities.
- Optimize use with coaches' diagrams, calendar grids, inventory tracking tables as well as many more.

Introducing

PRO-WALL by MARSH

Pro-Wall uses PolyVision e³ CeramicSteel to offer a superior writing surface.

*“Maximize your room’s writing surface capabilities with Marsh’s floor-to-ceiling dry erase **PRO-WALL!**”*

- Modern workspaces are especially popular with access to writable walls*
- Provides for a flexible wall arrangement for variations of learning*
- Creates “learning surfaces” or “competitive collaboration zones”*
- Maximizes writing space to encourage people to communicate together to foster innovation*

PRO-WALL Markerboards

- Marsh uses the finest quality dry erase writing surface
- All PRO-WALLs are magnetic
- Writing surface comes with a Forever Warranty from PolyVision
- Super smooth writing surface on particleboard
- Safe and clean: Cradle to Cradle Certified™ Bronze
- 99.9% recyclable, No VOCs

Jointing Methods for Marsh's Pro-Wall Floor-to-Ceiling Markerboards

- **Recommended:** Marsh's H-Bar jointing Solution provides a powder-coated finish which accepts dry erase markers and easily erases. The back leg can be secured to the wall to offer additional strength and ease with the installation process.
- Optional spline joint application is available, as well.

Marsh products are manufactured in the USA.

Unsurpassed quality since 1958.

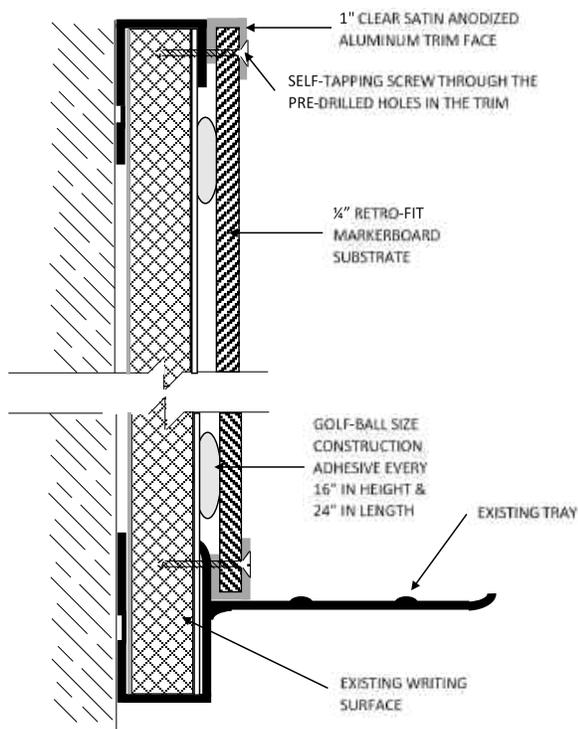

RETRO-FIT BOARDS

“Convert your chalkboards from this...

...to a new magnetic marker surface like this in only a matter of minutes!”

Easy to follow instructional installation video available at www.marsh-ind.com!

Retro-Fit Installations

- *So very simple anyone can do*
- *Instructions provided with your Retro-Fit boards when they arrive*
- *Requires only a drill with a hex head bit, caulking gun for adhesive*
- *Apply adhesive as instructed*
- *Line your Retro-Fit Board with the existing wall mounted board*
- *Affix the Retro-Fit Board using the self-tapping screws provided*
- *That's It! You now have an excellent magnetic marker surface to write on, project on and it all comes with a Forever Warranty on the writing surface.*
- *Instructional Video available at www.marsh-ind.com*

Pro-Rite Freestanding Boards

Mobility within the classroom and collaborative idea areas in work environments is a real need today. Marsh's Pro-Rite Freestanding boards meet these needs and provide quality and durability with our design.

The built-in strength of the Pro-Rite Freestanding unit is the reason why so many warehouse and manufacturing companies choose Marsh for their communication needs in their production and industrial areas.

Introducing

Mobile Markerboards

by MARSH

Dimensions as shown: 34" L x 75" H x 24" D

- Separates areas of a room offering a more private work or study area
- Both sides feature the highest quality porcelain magnetic markerboard surface available
- Lower panel of the unit provides a surface for tacking papers or acoustic fabric for sound dampening
- Heavy duty locking casters and our reinforced leg design withstands the rigors of movement
- 48" W x 75" H x 24" D size also available

"We get requests for mobile markerboards frequently on projects. This is driven by the need for flexibility within spaces and the ability to be used for small group break outs." – Architect, Columbus Ohio
