# WHY WADDELL

---

## Redefining Display Furniture

For more than 130 years, craftsmen have been carefully constructing Waddell display cases in the time-honored tradition of Waddell quality. These skilled artisans use only the finest materials to manufacture a wide variety of display solutions with the quality of fine furniture. Our craftsmen combine today's technology and designs with yesterday's personal commitment to constructing the finest U.S.A. made products available.

The difference between a Waddell display furniture and others is in the details. The distinctive level of quality can be touched and seen in the solid, well-constructed fit and finish of every case. No two cases are the same, each case begins from raw wood and aluminum materials. We then handcraft each piece specifically to the customer's needs, making every product truly one-of-a-kind.

When choosing Waddell, you can be confident that you are investing in the best combination of style, durability, and value available. We invite you to view our lines of premium display solutions that range from traditional to modern; no matter your style, you are sure to find a solution to meet your exact needs. Customizable cases are also available to seamlessly match any décor.

Handcrafted in the  
U.S.A. since 1889

# PALLET

.....  
Redefining Space Division

In this photo: Double-sided Pallet display solution shown in Knotty Pine wood with a Urban Walnut finish and white storage credenza with leather pulls. Optional accessories shown: Magnetic whiteboard and Pallet Cubby.

## Dividing Space With Refined Beauty

Designed to fit the needs of today's open plan workspaces that are mobile, collaborative, and configurable; Pallet provides space delineation while allowing environments to feel open and airy. In addition to being a beautiful way to divide space, Pallet allows users to create collaborative work environments for meetings, brainstorming sessions, or even impromptu workstations with optional accessories. The uses for Pallet are limitless; simply place a work table alongside Pallet's single-sided unit to create a workstation, add a whiteboard to develop brainstorming activities, and showcase your company's brand and style by placing contents on the shelves.

# RELIANT DISPLAY CASES

Handcrafted Floor Case

In this photo: Reliant Series (shown with lighted cornice) with Carmel Oak Veneer base, Satin Natural frame, and White laminate backing.

## Standing the Test of Time

Reliant Series combines the strength and durability of aluminum with the engaging look of wood. Anodized aluminum framing secures the sliding glass doors and incorporates a built-in lock. The accent wood, which comes in oak veneer or wood-grained vinyl, completes the design for a clean, uncluttered appearance. Reliant Series display cases may be used lighted or unlighted for an enhanced presentation. Ideal for either traditional or contemporary settings, the Reliant Series is a value-packed choice for the protected display of your treasured memorabilia.

## LIGHTING OPTIONS

with a handcrafted display solution

### LED

LED lights are the leading energy-efficient choice, giving out the most light per wattage while also using lower power consumption. LED lights typically last up to 50,000 hours of continuous lighting which contributes to their overall environmentally friendly attributes.

Available In: Vantage, Edge, Quantum, Contempo, Reliant, Varsity, Heritage, Spirit, Prominence, Monarch. Keepsake, Legacy.

### FLUORESCENT

Traditional fluorescent lights are an energy-efficient choice, giving out the most light per wattage. The 120-volt lights provide an equal overall lighting coverage. Fluorescent lights will typically last over 10,000 hours of usage. The fluorescent lights utilize 3-prong ground plug and feature a top-mounted on/off switch. Fluorescent bulbs not included.

Available In: Recessed.

### Replacement Lighting

Depending on usage, bulbs may occasionally need to be replaced and are therefore not included under warranty. For details about replacement LED lighting, please call customer service at 800.622.1331.
