Dear Mr. Maraldo:

Thank you for your call regarding Ms. Samantha Vigna of Taunton School. It is encouraging to note that members of our school community take the time to provide praise when they feel it is justified. It provides us with the encouragement and recognition we all need.

The Howell school system has a tradition of excellence that the community has come to expect of us. As you know, district administration and the Board of Education work tirelessly to retain the level of education that has become synonymous with the Howell Township Schools.

Thank you again for your thoughtfulness and for taking the time to call.

Sincerely,

Joseph Isola
